Rend this case.— Wilmington, Del. "Gentlemen: In January, 1908, I was taken with hemorrhages of the lungs. My physician, one of the leading practitioners of Wilmington, Del., said that it was lune trouble. I took eggs and milk in quantities, but I got very weak. Mr. C. A. Lippincott, of Lippincott & Co., Department Store, 306 to 314 Market street, Wilmington, Del., recommended to me Eckman's Alterative, that had done great good, and upon his suggestion I began taking It at once. This was about June, 1908, I continued faithfully, using no other remedy, and finally noticed the elearing of the lungs. I firmly believe Eckman's Alterative saved my life."
